

## The Symposium for Empowering and Smart Interfaces in Engineering

**SMART INTERFACES 2017**

**June 25 - 29, 2017- Venice, Italy**

<http://www.iaria.org/conferences2017/SMARTINTERFACES.html>

### Important deadlines:

Submission (full paper)	May 17, 2017
Notification	May 24, 2017
Registration	May 31, 2017
Camera ready	May 31, 2017

### Topics:

- Empowering and Smart Interfaces in the Internet of Things
- Empowering and Smart Interfaces in Smart-Factory
- Empowering and Smart Interfaces in Smart-Grid
- Empowering and Smart Interfaces in Innovation and Creativity
- Philosophical aspects of Empowering and Smart Interfaces
- Integrating Human Sciences and Technological Sciences
- Comparing methods for cross-disciplinary research
- Typologies of interdisciplinarity: the boundary work of definition
- Interdisciplinarity in Research evaluation and doctoral student career
- How to teach Empowering and Smart Interfaces in high degree?
- Case studies on Empowering and Smart Interfaces
